It marks our continuous efforts in maintaining the standard and quality of academic publications, also increases the visibility of published articles. We want to express our gratitude to all authors, reviewers, editors, and advisors of this journal.

We also want to take this opportunity to express our editorial policy: We welcome submissions from legal, managerial and interdisciplinary perspectives on IP issues across the world. In order to cover IP issues, we will not limit the scope of this journal to a single jurisdiction. This policy has been once again proved by the content of this issue. Articles of this issue are from the US, India, Australia and Taiwan, examining various IP legal and managerial issues from both academic and entrepreneurial angles. Our goal is to make this journal a globally recognized IP professional periodical, and we would like to invite you to work toward this goal together.
